Hon. Sean H Lane
United States Bankruptcy Judge
Southern District of New York
300 Quarropas Street
White Plains, NY 10601- 4140

FILED
U.S. BANKRUPTCY COURT
2025 MAY 29 A 10:53
S.D. OF N.Y.

Dear Judge,

My name is Santiago Quezada Jr, I am writing this letter on behalf of my father Santiago Quezada Sr. to oppose the dismissal of his bankruptcy case. My father was informed that earlier today there would be a hearing on his case. Since he does not speak English, he asked me to call in with him and I did. I have attached a phone record as Exhibit 1 showing that we were on the call.

Prior to the hearing I informed the Attorney, Norma Ortiz, that we would be joining and asked for a link. Exhibit 2 page 1. In her response se appeared to indicate that she would inform the court and tell you of the need for an interpreter. Exhibit 1 page 1 bottom. When I called in, I also sent an email to Norma Ortiz, to inform her that we were on the line. See Exhibit 2 page 2. That said, our line was muted, we were not allowed speak, and no one from the court was there to translate the proceedings for my father. The court never acknowledged our presence, which makes me think they did not know we were there. As we had already informed the court, Ms. Ortiz does not properly represent us, and we were prepared to inform the Court of our desire to move forward and our intent to be represented by new counsel. We were waiting for this hearing and for Ms. Ortiz to be relieved, so that he could take over.

Since the court made its decision without hearing from us or considering our position, we respectfully ask that the motion to dismiss be denied and that we be given the opportunity to be heard.

Sincerely,

Santiago Quezada, Sr.

Santiago Quezada, Jr.

Got it, the way we understood is that it's after tomorrow that we needed to get a lawyer, not for tomorrow.

1. The first step is to identify the problem. This involves understanding the current situation and the goals that need to be achieved.

10. The following are the names of the people who were involved in the project. The names are listed in alphabetical order. The names are: John Doe, Jane Smith, and Bob Johnson.

Abstract: *Staphylococcus aureus* strains were isolated from 1000 samples of ground beef and 1000 samples of ground pork. The isolates were tested for sensitivity to 11 antimicrobials. The isolates were also tested for resistance to 11 antimicrobials. The isolates were also tested for resistance to 11 antimicrobials.

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.

We used the phone call to join the meeting, we weren't able to be heard. But we heard the conversation.
